## **Independent Auditor's Report**

### **To the Chairperson and Commissioners of The Village of Greenwood**

#### **Opinion**

We have audited the accompanying consolidated financial statements of **The Village of Greenwood**, which comprise the statement of financial position as at March 31, 2025, and the statement of operations, statement of net financial assets and statement of cash flows for the years then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying consolidated financial statements present fairly, in all material respects, the financial position of the **The Village of Greenwood**, as at March 31, 2025, and the results of operations and changes in net financial assets for the year then ended, in accordance with Canadian public sector accounting standards.

#### **Basis for Opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Entity in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

#### **Responsibilities of Management and Those Charged with Governance for the Financial Statements**

Management is responsible for the preparation and fair presentation of these financial statements in accordance with Canadian public sector accounting standards and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Entity's financial reporting process.

#### **Auditor's Responsibilities for the Audit of the Financial Statements**

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

## **Independent Auditor's Report (continued)**

### **Auditor's Responsibilities for the Audit of the Financial Statements (continued)**

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Entity's internal control.

Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

Conclude on the appropriateness of management's use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Entity's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Entity to cease to continue as a going concern.

Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

**Management's Responsibility for the Consolidated Financial Statements**

The management of the Village of Greenwood (the "Village") is responsible for the integrity, objectivity and accuracy of the financial information presented in the accompanying financial statements. The consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards established by the Public Sector Accounting Board of the Chartered Professional Accountants of Canada ("CPA"). A summary of the significant accounting policies is described in Note 2 to the consolidated financial statements.

The Village's management maintains a system of internal controls designed to provide reasonable assurance that assets are safeguarded, transactions are properly authorized and recorded and reliable financial information is available on a timely basis for preparation of the consolidated financial statements.

These systems are monitored and evaluated by management. The Audit Committee meets with management and the external auditors to review the consolidated financial statements and discuss any significant financial reporting or internal control matters prior to the approval of the consolidated financial statements.

The consolidated financial statements have been audited by Morse Brewster Lake Chartered Professional Accountants, independent external auditors appointed by the Village. The accompanying Independent Auditors' Report outlines their responsibilities, the scope of their examination and their opinion on the Village's consolidated financial statements.

## **Notes to Consolidated Financial Statements**

**March 31, 2025**

### **1. Significant Accounting Policies**

#### **Basis of Presentation**

The consolidated financial statements of the Village of Greenwood are prepared in accordance with Canadian public sector accounting standards ("PSAB").

#### **Basis of Consolidation**

The consolidated financial statements reflect the assets, liabilities, revenues and expenditures and changes in fund balances and in financial position of the reporting entity. The activities under the control of Commission and included in the reporting entity are the general operating fund, general capital fund, capital reserve fund and operating reserve fund. Interdepartmental transactions and balances have been eliminated on the consolidated

#### **(a) Revenue and Expenditures:**

Major revenue and expenditures items are recorded on an accrual basis.

#### **(b) Financial Instruments**

The Village's financial instruments consist of cash, short term deposits, accounts receivables, accounts payables and accrued liabilities. Unless otherwise noted, it is managements's opinion that the Village is not exposed to significant interest, currency or credit risks arising from these financial instruments. The fair value of these financial instruments approximate their carrying values, unless otherwise noted.

#### **(c) Use of Estimates**

The preparation of the financial statements in conformity with Canadian generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets, liabilities, and the disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results may differ from those estimates. The most significant accounting estimates in these financial statements include allowance for doubtful accounts, estimated useful life of tangible capital assets and asset retirement obligations.

#### **(d) Revenue recognition**

Taxation and related related revenue: Property tax billings are prepared based on the assessment rolls issued by Property Valuation Services Corporation. Tax rates are established annually by the Commission, incorporating amounts to be raised for local services. Taxation revenues are recorded at the time tax billings are due.

Government transfers are recognized in the consolidated financial statements in the period in which events giving rise to the transfer occur, providing the transfers are authorized, any eligibility criteria have been met, and reasonable estimates of the amounts can be made. Other revenues (including rental income) are recognized as services or goods are provided, the exchange amount is measured and collectibility of the amount is reasonably assured.

### **1. Significant Accounting Policies (continued)**

#### **(e) Non-Financial Assets**

Non-financial assets are not available to discharge existing liabilities and are held for use in the provision of services. They have useful lives extending beyond the current year and are not intended for sale in the normal course of operations. The change in non-financial assets during the year, together with the excess revenues and over expenses, provides the consolidated Change in Net Financial Assets for the year.

#### **(f) Asset Retirement Obligation**

An asset retirement obligation is recognized when, as at the financial reporting date, all of the following criteria are met:

- a) There is a legal obligation to incur retirement costs in relation to a tangible capital asset;
- b) The past transaction or event giving rise to the liability has occurred;
- c) It is expected that future economic benefits will be given up; and
- d) A reasonable estimate of the amount can be made.

Any liability is discounted using a present value calculation, and adjusted yearly for accretion expense. The recognition of a liability would result in an accompanying increase to the respective tangible capital assets. Any increase to the tangible capital assets would be amortized in accordance with the depreciation accounting policies.

The Village has assessed their assets and does not currently have any material asset retirement obligations and as such no increase in asset value or liability has been recognized at this time.

#### **(g) Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand and balances with banks, bank overdrafts, short term borrowing with original maturities of three months or less. Bank borrowings are considered to be financing activities.

#### **(h) Investments**

Financial instruments are recorded at fair value on initial recognition. Derivative instruments and equity instruments that are quoted in an active market are reported at fair value. All other financial instruments are subsequently recorded at cost or amortized cost unless management has elected to carry the instruments at fair value.

### **Auditors' Report on Supplemental Financial Statements**

#### **To the Chairman and Commissioners of The Village of Greenwood**

Our audit was conducted for the purpose of forming an opinion on the basic financial statements taken as a whole. The supplementary information included in the Schedules is presented for purposes of additional analysis and is not a required part of the basic financial statements. Such supplementary information has been subjected to the auditing procedures applied in the audit of the basic consolidated financial statements and, in our opinion, is fairly stated in all material respects in relation to the basic consolidated financial statements taken as a whole.
